NATURAL SOURCING ANNOUNCES TOMATO SEED OIL AVAILABILITY

Rich in anti-oxidants, carotenes including lycopene, phytosterols and other important nutrients

Oxford, CT (November 18, 2014) - Natural Sourcing is pleased to announce the availability of cold pressed Tomato Seed Oil within its growing line of specialty oils for use in innovative personal care product formulations.

Studies have documented that the seeds of tomatoes contain essential fatty acids, anti-oxidants, vitamins, minerals, carotenes including lycopene and phytosterols and other important nutrients that play an important role in the health and radiance of the skin. Tomato Seed Oil is stable and is an ideal ingredient choice for incorporating the nutritive benefits of tomato seeds, particularly the high lycopene content, within personal care products.

Natural Sourcing's Tomato Seed Oil is carefully sourced and packaged to maintain the purity, freshness and beneficial properties of this nutritive oil.
